NOTE

Prior to the initial directorate meeting, which occurs before the team's participation in the competition, there may be a large number of players included in this output. Following that meeting the team's roster will be reduced to no more than the maximum number of players allowed. Players marked with '*' in the 'New Entry' column might have an eligibility issue. The IIHF will verify the respective players' eligibility and come back to you in due course if any eligibility issues exist.
